Announcements of papers should be submitted by <u>28th March 2025</u>, and complete texts of papers with summaries by <u>30th April 2025</u>.

<u>**Complete material for printing should include:**</u>
- **title,**
- **summary,**
- **Figure captions and tables,**
- **keywords,**
- **tables and figures,**
- **e-mail or contact telephone (for publication in materials).**

Articles may be sent to the Congress Secretariat (up to 5 MB in size).

The text should be written in MS Word for Windows,
- Type size **10 point Times New Roman, single** spacing**, with page margins as per the file Form of the paper.docx (for downloading from WWW)**.

All figures and charts should be included in the text as well as included in separate files in one of the following formats: *.tif, *.pcx, *.jpg, *.cdr.

REFERENCES

Citations in the text should be identified in appropriate places by numbers in square brackets and refer to list of references at the end of paper. List of references should be written in Times New Roman 9 point font.

During typing please obey the following rules:
- do not end individual lines with the Enter key,
- do not use indentations with the Tab or Space keys,
- do not manually divide words,
- do not justify individual lines of paragraph with the Space key,
- do not double space words (e.g. t i t l e).
